

# VAN BORROWING COSTS

## INTRODUCTION

We have chosen to offer our minibus for a donation fee rather than a traditional hire rate. Scout groups & Girlguiding groups are able to book to borrow the Van!

One key factor that influences this approach is insurance. As a volunteer-based organization, we operate under specific insurance policies that require us to offer the Van on a non-profit basis. By requesting a donation, we can cover the operational costs associated with maintaining and running the Van while adhering to these insurance requirements.

**Your donation not only helps us maintain and service the Van but allows us to keep the Van accessible to all our members and other groups.**
